

### UC in Your District

The University of California's reach goes well beyond its 10 campuses, five medical centers and three national laboratories. The University's presence is felt in each of California's 58 counties through a wide array of exemplary community partnerships, enriching cultural resources and innovative research programs. From health-care education for rural physicians to agricultural research advice for local farmers to college preparation efforts in nearly every public school, UC has a direct influence in your community. ### UCLA MEDICAL CENTER

**UCLA Medical Center provides services throughout District 62** and is ranked the # 1 hospital in the West by *U.S. News and World Report*. More than 300,000 people, including a **disproportionate share of the state's poor and uninsured**, come to UCLA Medical Center each year. **UCLA's Mattel Children's Hospital offers a full range of specialty health services for children.** The Medical Center serves as a highly acclaimed training site for physicians, **many of whom choose to stay at UCLA** and as a **preeminent research center that drives innovations in life-saving drugs and surgical procedures.**

### UC RIVERSIDE

**UC Riverside is the fastest growing** of the UC campuses, has an annual economic impact of more than **\$360.2 million and is the third largest employer in Riverside County.** UCR is a major research university with state-of-the-art facilities and a distinguished faculty that has led the nation in faculty honorees selected for the prestigious American Association for the Advancement of Science. The planned Riverside Technology Park, a partnership between UC, government and private industry, **will be a major R & D center** aimed at assisting local entrepreneurs and moving UC discoveries from the lab to the marketplace.

### UC RIVERSIDE IN THE COMMUNITY

UCR's Eastside Community Collaborative **combats the effects of poverty and violence through education, mentoring, arts, and community needs assessment.** The Collaborative was formed in response to escalating violent crime rates in the eastside of Riverside. **Former UCR Chancellor Raymond Orbach convened civic leaders to build solutions aimed at families and youth, in order to help heal a traumatized community.** Today, the Collaborative includes after-school programs at several area sites.

The Community Teaching Fellowships in Math and Science work to improve education in the **Inland Empire**. Affiliated with the National Science Foundation and the UC Riverside School of Education, the program works with **Riverside Unified Schools and San Bernardino Unified Schools**. The program provides mentoring for college mathematics/science majors who want to become teachers and works directly in the classroom to improve teacher knowledge and student achievement in math and science.

**UC's MESA (Mathematics, Engineering & Science Achievement)** works to prepare educationally disadvantaged students for four-year colleges and works with **Rialto High and Jehue Middle in District 62**.

<http://mesa.ucop.edu>

The **UC Irvine Gifted Students Academy** provides an environment that enables gifted students to experience the accelerated pace and advanced level curriculum of college. The Gifted Students Academy works with students at **Colton Middle in District 62**. <http://www2.cfep.uci.edu/gsa/>

**California Partners for Advanced Transit in Highways (PATH), at the UC Institute of Transportation Studies** brings together faculty and students with private industry and state/local agencies to develop the research technologies that will improve California's transport systems. PATH is developing lasting solutions to the state's public transit challenges.

<http://www.path.berkeley.edu>

**UC's Early Academic Outreach Program (EAOP)** has provided academic support, college counseling and skill-building workshops to help over 85,000 California students realize their dreams of a college education. EAOP works with **several K-12**

**schools in District 62, including Colton High.**

<http://www.eaop.org>

The **FARMS** program aims to empower high school students about their futures through experiential learning and exposure to educational and career choices - all centered on agriculture and the environment. UC is a participating partner and runs a program at **Bloomington High School in District 62**.

[www.farmsleaders.org](http://www.farmsleaders.org)

**UC's Division of Agriculture and Natural Resources Cooperative Extension** provides accessible and comprehensive agricultural research information for local growers, ranchers, governments and the larger community through county advisors at the **San Bernardino County office**.

<http://ucanr.org>

The **Lindcove Research and Extension Center**, established by local growers and UC Riverside, to provide research for the California citrus industry. Researchers focus on areas such as the management of citrus pests.

The VA Greater Los Angeles Healthcare System is an affiliate of the **UCLA Medical Center** and provides a full range of medical care thousands of veterans in the region. The system

houses a teaching hospital and provides a full range of patient care services using state-of-the-art technology. Outpatient clinics are located throughout the region. <http://www.va.gov>
