

UC in Your District

The University of California's reach goes well beyond its 10 campuses, five medical centers and three national laboratories. The University's presence is felt in each of California's 58 counties through a wide array of exemplary community partnerships, enriching cultural resources and innovative research programs. From health-care education for rural physicians to agricultural research advice for local farmers to college preparation efforts in nearly every public school, UC has a direct influence in your community. Find out more about UC programs in your district by visiting: www.universityofcalifornia.edu

UC'S K-12 OUTREACH

UC's Early Academic Outreach Program (EAOP) has provided academic support, college counseling and skill-building workshops to help over 85,000 California students realize their dreams of a college education. EAOP works with **several K-12 schools in District 60, including: Ruben Ayala High in Chino Hills; West Covina High; Rowland High and Alvarado Intermediate in Rowland Heights; Grandview Middle in Valinda; Lorbeer Junior High in Diamond Bar; and William Workman High and Torch Middle in City of Industry.**

UC IRVINE MEDICAL CENTER

The UC Irvine Medical Center provides services throughout District 60 and has a strong academic reputation in neurosciences, cancer and genetics research. The UC Irvine Medical Center in **Orange, the Long Beach Veterans Affairs Medical Center and the Long Beach Memorial Medical Center** provides cutting-edge medical research to the general population and to **a disproportionate share of the area's poor and uninsured.** UC Irvine Medical Center's 462-bed facility is Orange County's only designated comprehensive emergency service and Level I Trauma Referral Center.

UC IRVINE

UC Irvine is one of the top American universities and has a \$2.35 billion economic impact on Orange County. UC Irvine is responsible for the creation of more than 15,000 jobs in Orange County. Noted internationally for its rich academic programs, Irvine offers 55 undergraduate majors, 49 minors and a myriad of specializations. **UC Irvine also hosts a School of Education, a School of Management and the Henry Samueli School of Engineering.**

Healthcare Access to Schools (HATS) helps local children from low-income families obtain health insurance. Since its inception, UC San Diego has provided funds and technical assistance to dozens of schools. <http://health.ucsd.edu>

UC's MESA (Mathematics, Engineering & Science Achievement) works to prepare educationally disadvantaged students for four-year colleges in K-12 schools throughout the district, including **Lorbeer Middle in Diamond Bar**. The **MESA California Community College**

Program increases the number of math and science majors who successfully transfer and receive degrees from 4-year universities and works with **CSU Pomona**.
