

UC in Your District

The University of California's reach goes well beyond its 10 campuses, five medical centers and three national laboratories. The University's presence is felt in each of California's 58 counties through a wide array of exemplary community partnerships, enriching cultural resources and innovative research programs. From health-care education for rural physicians to agricultural research advice for local farmers to college preparation efforts in nearly every public school, UC has a direct influence in your community. Find out more about UC programs in your district by visiting:

UCLA MEDICAL CENTER

UCLA Medical Center provides services throughout District 28, and is known for its pioneering advancements in organ transplantation and ultrasound. It is ranked #1 in the West by *U.S. News and World Report*. More than 300,000 people – **including a disproportionate share of the state's poor and uninsured** – are cared for at UCLA Medical Center each year. UCLA's Mattel Children's Hospital offers a full range of specialty health services for children. The medical center serves as a training site for physicians and as a research center that drives innovations in life-saving drugs and surgical procedures.

UC ARTS OUTREACH

UC Santa Cruz's African American Theater Arts Troupe is dedicated to providing an outlet for the creativity and talents of underrepresented students through plays, presentations and workshops on campus and throughout the community. The troupe provides scholarships, mentoring and performances to **K-12 schools and community colleges throughout Los Angeles – including Carson High in District 28.**

UC IRVINE MEDICAL CENTER

The UC Irvine Medical Center has a strong academic reputation in neurosciences, cancer and genetics research. The UC Irvine Medical Center in **Orange**, the **Long Beach Veterans Affairs Medical Center** and the **Long Beach Memorial Medical Center** provide cutting-edge medical research to the general population and to a disproportionate share of the area's poor and uninsured. UC Irvine Medical Center's 462-bed facility is **Orange County's only designated comprehensive emergency service and Level I Trauma Referral Center.**

The world-renowned UCLA Jonsson Comprehensive Cancer Center provides cancer care services and investigative clinical trials at **satellite clinics in Torrance and Long Beach in District 28**. Patients who come to UCLA centers for cancer care benefit from the most advanced forms of therapy available and from a variety of supportive services.
