

### UC in Your District

The University of California's reach goes well beyond its 10 campuses, five medical centers and three national laboratories. The University's presence is felt in each of California's 58 counties through a wide array of exemplary community partnerships, enriching cultural resources and innovative research programs. From health-care education for rural physicians to agricultural research advice for local farmers to college preparation efforts in nearly every public school, UC has a direct influence in your community. Find out more about UC programs in your district by visiting:

#### UC RIVERSIDE

**UC Riverside - in District 31, is the fastest growing of the UC campuses, has an annual economic impact of more than \$360.2 million and is the third-largest employer in Riverside County.** UC Riverside is a major research university with state-of-the-art facilities and a distinguished faculty that has **led the nation in faculty honorees selected for the prestigious American Association for the Advancement of Science.** The planned Riverside Technology Park, a partnership between UC, government and private industry, will be a **major R & D center** aimed at assisting local entrepreneurs and moving UC discoveries from the lab to the marketplace.

#### UC RIVERSIDE GENOMICS INSTITUTE

**The UC Riverside Genomics Institute** brings together faculty from every academic unit on campus to foster innovations that will make possible advancements in the quality of life. The program will work to create **greater productivity in California's \$27-billion agricultural industry**, develop more nutritious foods, improve human health and better safeguard the environment.

#### UC RIVERSIDE IN THE COMMUNITY

UC Riverside hosts a range of programs in the larger community. **UC Riverside's Eastside Community Collaborative** combats the effects of poverty and violence through **education, mentoring, arts and community needs assessment.** The Collaborative was formed in 1994 in response to escalating violent crime rates in the eastside of Riverside. Former UC Riverside Chancellor Raymond Orbach convened civic leaders to build solutions aimed at families and youth. **Today, the collaborative includes the "Safe Havens" after-school program at area schools.**

## **Senate District 31 — Jim Brulte, R – Rancho Cucamonga**

**UC alumni in this district: 10,537**

**UC Riverside employees: 4,000**

**The Community Teaching Fellowships in Math and Science Program** works to improve math and science education in the **Inland Empire**. Affiliated with the National Science Foundation and the UC Riverside School of Education, the program works with **Riverside Unified Schools and San Bernardino Unified Schools**. The program works directly in the classroom to **improve teacher knowledge and student achievement in math and science**. <http://www.alphacenter.ucr.edu>

**UCLA's Regional Oncology Centers**, affiliated with the world-renowned UCLA Jonsson Comprehensive Cancer Center, provide cancer care services and investigative clinical trials at a **satellite clinic in Rancho Cucamonga in District 31**. Patients who come to UCLA centers for cancer care benefit from the most advanced forms of therapy available, and from a variety of supportive services. <http://www.cancer.mednet.ucla.edu>

**The UC Irvine Gifted Students Academy** was developed to assist gifted students in preparing for the academic rigors of college. The Gifted Students Academy has worked with students at **Cucamonga and Colton Middle Schools**. <http://www2.cfep.uci.edu/gsa/>

**California Partners for Advanced Transit in Highways (PATH), at the UC Institute of Transportation Studies**, brings together faculty and students with private

industry and state/local agencies to develop the research technologies that will improve California's transport systems. PATH is working to develop lasting solutions to the state's public transit challenges. <http://www.path.berkeley.edu>

**UC's Early Academic Outreach Program (EAOP)** has provided academic support, college counseling and skill-building workshops to help over 85,000 California students realize their dreams of a college education. EAOP works with **several K-12**

**schools in the area, including Rancho Cucamonga and Colton High Schools**. <http://eaop.org>

houses a main hospital in Long Beach and provides a full range of patient care services using state-of-the-art technology. **Outpatient clinics are located throughout the region**. <http://www.va.gov>

**UC Riverside's College of Engineering-Center for Environmental Research Technologies (CE-CERT)** program contributes to improved environmental quality and energy efficiency through interdisciplinary research and by providing educational opportunities for the next generation of engineers, scientists and policy-makers in the **Inland Empire**. <http://www.cert.ucr.edu>

The **FARMS** program aims to empower high school students about their futures through experiential learning and exposure to educational and career choices - all centered on agriculture and the environment. UC is a participating partner and runs a program at **Sherman Indian High in Riverside in District 31**. [www.farmsleaders.org](http://www.farmsleaders.org)

**UC Cooperative Extension** advisors at the **San Bernardino and Riverside County offices** work with families to improve nutrition, to reduce child obesity, to ease the transition from welfare to work, and to engage youth in educational 4-H activities. UC poultry experts worked with local agencies and poultry owners to educate the public and halt the spread of the exotic Newcastle disease outbreak. <http://ucanr.org>

**UC's Inland Empire Youth Education Motivation Program** sends volunteers to make presentations in local schools about the role education has played in their lives and career development. Individuals from UC Riverside visit **10-13 local schools in Riverside and Perris** each year. [www.alphacenter.ucr.edu](http://www.alphacenter.ucr.edu)
