

University of California Transfer Admission Guarantee Program (2009-10)

Seven UC campuses offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, you can receive early review of your academic record, early admission notification, and specific guidance on major preparation and general education coursework. A list of eligibility criteria and special notes for each campus are provided below.

To pursue a TAG, you should:

- fill out the attached form and review it with your community college counselor and/or UC campus TAG adviser before submitting it to your chosen campus;
- once your TAG is approved, **fulfill all remaining coursework and GPA requirements designated in your TAG agreement**; and
- apply for admission to UC during the appropriate filing period (see www.universityofcalifornia.edu/apply).

Students do not have to participate in TAG to be considered for admission. Non-TAG students should apply for admission during the appropriate application-filing period.
