

## UCOP restructuring update for week of August 11, 2008

- **Reminder of job openings in IR and BRC**

Dear Colleagues:

This week's brief update includes reminders of job openings in the new Institutional Research (IR) unit and the Business Resource Center (BRC).

### **Job openings in Institutional Research unit**

Listings for open positions in the new Institutional Research unit are now posted on the UCOP Jobs website: <https://jobs.ucop.edu>. The application deadline is **August 14** for the openings for five Content Managers, eight IR Analysts and the Data Steward position. The application deadline for the IR Director position is **August 21**. The new IR unit will take on functions that are currently performed within various departments around OP. The new IR unit is expected to handle data and conduct analysis pertaining to a number of subjects including admissions, personnel and compensation data, research data, contracts and grants, financial aid, graduate students and budget data (for details about this new unit, go to [www.universityofcalifornia.edu/future/workunderway.html](http://www.universityofcalifornia.edu/future/workunderway.html)). If you perform the functions that will be consolidated in the IR and enjoy this type of work, we encourage you to explore these job opportunities.

### **Opening for Business Resource Center team lead**

As announced last week, a new team BRC lead position has been posted for recruitment on the UCOP Jobs website (<https://jobs.ucop.edu>). The application deadline for the team lead position is **August 28**. In addition to the openings related to the restructuring initiatives, a number of other openings are posted regularly on the UCOP jobs website (<https://jobs.ucop.edu>).
