Hon. Christopher Cox, Chairman
U. S. Securities and Exchange Commission
100 F Street, NE
Washington, DC 20549

Dear Chairman Cox:

We sincerely appreciate your willingness to meet with us last week and listen to our stories of how our lives were affected by the Wall Street banks that orchestrated the Enron fraud.

We hope you will take our experiences to heart and grant our request to support all investors, taxpayers and victims of corporate fraud by immediately reaffirming the SEC's longstanding support for the existence of scheme liability.

We will return to Washington on or before June 12th, the day after briefs are due to the Supreme Court, to publicly comment on the SEC's ultimate decision. At that time, we hope you will be standing by our side, urging the Supreme Court to allow us to have our day in court.

Sincerely,
