I. POLICY SUMMARY

This policy provides direction and authority for the development and approval of incentive award plans that include Senior Management Group (SMG) participants.

Incentive awards are intended to motivate individuals or teams to produce results that have been pre-defined and communicated to the participants in advance in accordance with an incentive award plan, and to reward them for achieving the stated performance objectives. Plan performance objectives should require participants to stretch their performance beyond their normal duties and responsibilities so that the incentive award plan rewards exemplary performance.

II. POLICY DEFINITIONS

Exception to Policy: An action that exceeds what is allowable under current policy or that is not expressly provided for under any policy. Any such action must be treated as an exception and must be reviewed and approved by the Regents.

Executive Officer: The University President, Chancellor, or Laboratory Director.

Plan Document: A document that provides specific detail and definitions governing the administration of the incentive award plan, including, but not limited to, defining the eligible population, the plan year, the award opportunity levels, the criteria for establishing the annual performance objectives for each participant, and the methodology for calculating award payouts.

Top Business Officer: Executive Vice President–Business Operations for the Office of the President, Vice Chancellor for Administration, or the position responsible for the location’s financial reporting and payroll as designated by the Executive Officer.

III. POLICY TEXT

A. Plan Document

Incentive award plans must be documented and approved prior to implementation and communication. An incentive award program Plan Document must be approved by the Regents if SMG members are included as eligible program participants. Incentive or bonus award plans that do not have SMG participants are subject to the President’s approval.

The Plan Document defines the key terms, conditions and design elements of the incentive award plan. The Plan Document will include the following elements:

- Plan purpose
- Governance and oversight responsibilities

- The process for plan approval and for making changes to the plan
- The plan year (performance measurement period)
- Eligibility criteria
- Award opportunity levels (e.g., threshold, target and maximum), when appropriate
- The criteria for establishing the annual performance objectives for each participant and, when appropriate, the weightings to be given performance objectives
- Funding and award formulas, if applicable
- The protocol for the review and approval of awards, as well as the schedule for award payouts
- Any contingencies and administrative rules governing payouts, including any mechanism for the deferral of award payouts

Incentive awards are at risk, meaning that whether they will be paid depends on the plan participant's achievement of predetermined objectives. Awards must be variable and directly correlate to each plan participant's actual accomplishment of stated performance objectives. Award amounts should be appropriate for the level of each participant's performance and contribution. Incentive awards are not a means of providing additional pay for performing normal duties and responsibilities, as described in the participants' respective job descriptions. Nor are they meant to be a replacement or substitute for a merit, promotion, equity, or retention increase as described in the *Senior Management Group Salary and Appointment Policy*.

B. Plan Review and Approval

Independent Administrative Oversight Committees (AOCs), comprised of senior executives and subject matter experts, will be established to oversee the creation and annual review of each incentive award plan. Incentive award plans that include SMG participants are first subject to the review and approval of the President. After the President approves such plans, the Chair of the Regents' Committee on Compensation may consult with other Chairs of the applicable Regents' Committees, as appropriate, prior to presentation to the full Board for approval. Once such a plan has been approved by the Board, the applicable AOC will be responsible for its administration. The Chief Audit and Compliance Officer will assure that periodic auditing and monitoring will occur, as appropriate.

Once approved by the Regents, an incentive award plan will be implemented each year upon the approval of the AOC if the plan is being implemented without changes. If a plan with SMG participants has been approved as outlined above, and the AOC recommends substantive or material changes to the plan, the applicable AOC will obtain the approval of the President and the Regents' Committee on Compensation and other Committees, as appropriate, before implementing such changes. Reasonable efforts, given all circumstances, will be made to delay

implementing substantive or material plan changes until after the end of the current plan year. However, if changes are implemented during the plan year that would affect the award calculations, changes will only be applied prospectively to the remaining portion of the plan year. Plan changes recommended by the AOC that are not material or substantive, or are deemed to be technical corrections, may be approved by the AOC after consultation with the President, the Chair of the Regents' Committee on Compensation and the Chairs of other applicable Regents' Committees, as appropriate, and will then be implemented by the AOC at an appropriate time. The Regents will receive reports of all changes to the plans.

All incentive award plans will be reviewed annually by the applicable AOC, generally in the spring, but dependent upon the appropriate review/plan cycle so that new or revised plans are in effect at the commencement of the applicable plan year, which will be the performance measurement period.

C. Plan Administration

Each SMG member who participates in an approved incentive award plan will receive an annual Terms and Conditions document that (a) identifies the participant's individual performance objectives, (b) defines performance standards to be used to determine the level of performance achieved for each objective, and (c) when appropriate, assigns performance weightings to the participant's objectives.

The AOC will review and approve plan participants' performance objectives prior to the start of the plan year. The AOC will also review and approve all proposed awards. The AOC will consult the Chief Audit and Compliance Officer in an independent advisory capacity during its review of Plan participants' objectives and award recommendations. Any award for an employee who reports directly to the Regents or who holds one of the executive offices identified in section 92032(b)(7)(B)(i) of the California Education Code will also require the approval of the Regents. The AOC will provide the Chair of the Regents' Committee on Compensation with a listing of award recommendations before awards are scheduled to be paid.

D. Funding Sources

Funding for awards may be provided by University-wide program sources and/or by local resources.

E. Treatment for Benefit Purposes

Cash awards under this policy are not considered to be compensation for University benefit purposes, such as the University of California Retirement Plan or employee life insurance programs.

F. Tax Treatment and Reporting

Under Internal Revenue Service Regulations (IRS), payment of such cash awards must be included in the employee's income as wages subject to withholding for federal and state income taxes and applicable FICA taxes. The payment is reportable on the employee's Form W-2 in the year paid.

Any payments to SMG members under this policy will be reported annually to the President and the Regents with appropriate detail, such as the range of awards and the percentage and amount of the award granted for each plan participant.

G. Conditions

Incentive award plans may be terminated or replaced at any time for any reason upon the recommendation of the President and with the approval of the Regents. Reasonable efforts, given all circumstances, will be made to delay plan termination until after the current plan year has concluded.

The President, in consultation with the Chair of the Board of Regents and other Chairs of the applicable Regents' Committees, may defer payments from an incentive award plan for reasons specified in the applicable plan document. Once the contingency has been resolved, awards deferred for that reason will be processed as soon as possible thereafter.

A participant who has been found to have violated state or federal law or to have committed a serious violation of University policy will not be eligible for an award under an incentive award plan.

The University may require repayment of an incentive award that was made as a result of inappropriate circumstances.

The University does not allow any guaranteed awards of any level or of any nature under any incentive award plan. Plan participation in any one year does not provide any right or guarantee of eligibility or participation in any subsequent year. Participants in an incentive award plan may not participate in any other University incentive award plan or bonus plan, except in the event of a mid-year transfer within the University. Specifically, if a plan participant is eligible for only a partial year award under a plan because a mid-year transfer of position renders him or her eligible for plan participation for only a portion of the plan year, he or she may participate in a different University plan for the other portion of the plan year. Concurrent participation in more than one plan is not permitted.
