**REPORT OF THE UNIVERSITY OF CALIFORNIA CAMPUS SECURITY TASK FORCE**

Last year, President Dynes commissioned the Campus Security Task Force to examine the University's preparedness in security, emergency notification, student mental health services, and general emergency preparedness.

Provost Hume and Executive Vice President Lapp co-chaired this Task Force, which was charged with developing recommendations in these four areas (report attached). The Task Force membership was composed of a broad-based group of University security, student affairs, and emergency preparedness experts.

Provost Hume, Executive Vice President Lapp and UCLA Police Chief Ross will make a presentation that highlights some of the Campus Security Task Force's recommendations.
