

Welcome to the annual Spring Student Transportation Survey. Your opinions are valuable - they help make transportation programs at UCLA more responsive to student needs. This study is about campus travel at large, not about parking or parking allocations. There are only 7 questions and they take 3 or 4 minutes to complete. You may then be on your way to the movies! Thanks for helping! Survey@ts.ucla.edu.

4. Getting to campus may involve using one or more transportation modes (a mode is how you travel: e.g. walking, bus, bike, etc). Please list, in consecutive order, EACH travel mode you use to travel from HOME to UCLA. Then estimate how many minutes this mode takes. If you take one or more buses, including Campus Express, use a separate mode box for each segment, and write in the transit name and route (e.g. Metro#2, BBB#12, Campus Express).
