

“I Stand With...” Campaign

So you’d like to show your support for DACA recipients at the University of California? Thanks for your support!

Here’s a quick how-to for joining UC’s chalkboard campaign to protect DACA recipients and undocumented students:

1. Write your reason for standing with UC’s DACA recipients — either on the chalkboard or the digital printouts.
2. Take a picture of yourself with your chalkboard and/or record a brief video explaining why UC’s DACA recipients are important to you.
3. Share your picture and/or video with your social networks—Instagram, Twitter, Facebook and others—and use the hashtag #UCDACA. We’ll be on the lookout for your posts via this hashtag and will share from our channels. You can also use other hashtags to join the conversation: #UC4DACA, #HomelsHere, #DACA, #SCOTUS.
4. That’s it! It’s really that easy. While you’re at it, would you sign the pledge to stand with UC’s immigrant community? It’ll take a minute of your time at www.universityofcalifornia.edu/daca.
